UPDATES:

ASMSU: New VPIA is Cookie Rifiotis. Passed a bill supporting Greek Life. Passed a bill supporting BRT maybe, revoking power included in the bill. BRT (Bus Rapid Transit) is a new Bus lane. [A bit ableist tbh. Ben's comments] [how do you get to the bus if its in the middle of the road is2g -- rhys] Alex Noffsinger (VPGA) likey. Books Not Bombs supported, partially succeeded. MSU decided to fund a singular refugee. [A good start if you ask me, but like...one? Cmon MSU you fund an entire sports scholarship program that makes you lose hundreds of thousands and you can't support more refugees? - Ben]

RHA: Preston has unfortunately resigned, effective immediately. Reach out to SPECTRUM for an appointment?

Conference Coordinator: RHA Roundtable. Recruitment session not too amazing. Possibly more public facing things. ASMSU funding, application soon. Budgetary spreadsheets in Drive soon. Creating Change rooms moving forward. RC will cover the Advisor rooms. Starting paperwork w/ Olivia. Proposal will be on both MBLGTACC and Creating Change
