

2016 - 2017 GOALS

Initial Thoughts:

- A healthier and safer campus
 - Stems from Olin, (in)access to PrEP (LBGTRC Connection: Dee & Olin)
 - Culturally competent Counseling Center counselors concerns as well as in the Resource Center for Persons with Disabilities
 - Talking with the Council for Students with Disabilities [CSD]
 - Building relationships with the Office of Institutional Equity (OIE) - Jessica Norris (Title IX Coordinator), Ande Durojaiye (Director of OIE) & Paulette Granberry Russell (Special Asst. to the President on Diversity and Director of the Office of Inclusion and Intercultural Initiatives)
- Education of university resources
 - Curriculum Engagement
 - Ensuring resources (RCPD, Counseling Center) are inclusive in practice to QT students
- All Gender MSU
 - [Alex To Do] - find the REHS talking points re: flexible housing expansion and send to the board
 - What was lost with the Women's Resource Center
 - Women's student services "have" been picked up by Student Services [supposedly]
 - Can we find specifically where those resources have gone?
- Student engagement? Available and accessible. Website + coffee hours,

Credo:

To have intersectional intentions in all that we think, do, and support
